Project Number	19RFP121719K-DB
Project Title	Implementation services on the Cityworks Asset Management Solution (AMS) and Permits, Licensing, and Land (PLL) platforms
Project Open Date	Jan 13, 2020
Project Close Date	Jan 21, 2020
Scope of Work	We are looking for assistance from certified Minority and Female Business Enterprises (MFBE) to fill the two following roles:

Position #1: Cityworks AMS Consultant

Job Description – Cityworks AMS Consultant
The Cityworks AMS Consultant will be responsible for the following tasks:
-Prepare test plan for the upgrade of Cityworks AMS from 15.2 to 15.5
-Upgrade Cityworks environment from version 15.2 to 15.5
-Execute test plan for the upgrade and resolve any issues identified
-Conduct a train-the-trainer session on the differences between Cityworks AMS versions 15.2 and 15.5

Job Qualifications – Cityworks AMS Consultant:
-Experience installing and configuring Cityworks AMS versions 15.2 and 15.5
-Experience training end users on Cityworks AMS versions 15.2 and 15.5

Position #2: Cityworks PLL Consultant

Job Description – Cityworks PLL Consultant
The Cityworks PLL Consultant will be responsible for the following tasks:
-Prepare test plan for the upgrade of Cityworks PLL from version 2013 SP6 to version 15.5
-Upgrade Cityworks PLL environment from version 2013 SP6 to version 15.5
-Execute test plan for the upgrade and resolve any issues identified
-Conduct a train-the-trainer session on the differences between Cityworks PLL versions 15.2 and 15.5

Job Qualifications – Cityworks PLL Consultant:
-Experience installing and configuring Cityworks PLL versions 2013 SP6 and 15.5
-Experience training end users on Cityworks PLL versions 2013 SP6 and 15.5

If you have staff who can fill either of the above positions, please contact Steve with their details.
